

# SETTING UP THE APPLICATION ENVIRONMENT

## Create IBM Cloud Account

Date	7 November 2022
Team ID	PNT2022TMID04847
Project Name	Inventory Management System For Retailer

Create ibm cloud account:

The screenshot displays the IBM Cloud Dashboard interface. At the top, there's a navigation bar with the IBM Cloud logo, a search bar, and user information for 'Santhosh Kumar S's Account'. The main section is titled 'Dashboard' and features a 'For you' row with eight recommended actions, each with a lightbulb icon and a duration. These actions include building a web app with Watson Speech to Text, getting started with Watson Discovery, accessing service resource groups, unlocking the entire catalog, setting up the IBM Cloud account, learning about IAM Roles, and using Watson Studio. Below this row, there are four panels: 'News' with recent updates, 'Recent support cases', 'Planned maintenance', and 'IBM Cloud status' which includes a world map. A sidebar on the left contains various icons for navigation.
